Subject: GS-11B-19068, Bid Package No. 1, Site, Foundation, and
Parking Deck, CIA Headquarters Expansion, Langley,
Virginia, Appeal of The George Hyman Construction Company,
Caisson Dispute, GSBICA No. 7913

Gentlemen:

Reference is made to the attached letter from our GSA trial council
relative to the above subject.

The attached letter is self-explanatory and the purpose of my letter
is to suggest the following method of providing compensation for the
"third party" witnesses and/or technical assistance required by our
Mr. Harrington.

For SH&G employees and SH&G's consultants:

1. After the required services have been provided and the
appropriate fees, rates and other cost items have been
discussed/negotiated with the writer, all invoices are to be
forwarded to this office for endorsement.
2. This office will present the approved invoices to the CIA for
payment.
3. SH&G will then be reimbursed for all services provided,
including those services provided by the two consultants,
through the professional services contract.
4. SH&G will make the appropriate payments to (Stoll, Evans,
Wood & Associates) and to (Dames & Moore).

Your cooperation in this matter is greatly appreciated. Please call if
there are any questions with the above.

Sincerely,

Arthur J. Capucci
Project Manager
